

>SCHUBERTH S1 PRO £449.99

**WE SAY:**  
Schuberth is well known on the bike market for producing some of the quietest helmets around. The S1 Pro is no different thanks to wind-tunnel testing. Comes with Pinlock visor tabs to keep the visor free from condensation. The shell is available in two different sizes.

**SHARP** ✓ ★★  
**SPECS:**  
**Sizes:** XS-XXL  
**Colours:** Four plain (silver, white, matt and gloss black), plus five multi-coloured options  
**Shell:** Composite fibre  
**Contact:** www.schuberth.com

>SCORPION EXO-700 £169-£189

**WE SAY:**  
After a brief spell of availability on the UK market, Scorpion is back. The lid is wind-tunnel tested and has a quick-release visor. The visor is also hard-coated to make it anti-scratch and is anti-fog, too. The liner is removable/washable and you can choose between different colour linings.

**SHARP** ✓ ★★★★★  
**SPECS:**  
**Sizes:** XS-XXL  
**Colours:** Six plain (inc black, metallic black, blue, silver) and five multis (inc Chameleon, above)  
**Shell:** Polycarbonate

>SHARK RSI £199.99-£249.99

**WE SAY:**  
Comes in two shell sizes and has different density shock absorbant material inside, which Shark says boosts protection. Airflow is directed by integrated ducts and deflectors and the visor system is Shark's 'Push One' design. The chin strap has a quick-release mechanism.

**SHARP** ✓ ★★★★★  
**SPECS:**  
**Sizes:** XS-XL  
**Colours:** One plain colour (matt black), and 18 multi-options (including the Guintoli rep, above)  
**Shell:** Composite fibre

>SHOEI RAID 2 £250-£350

**WE SAY:**  
Available in three shell sizes, the inner liner and padding in the Raid II is fully removable and washable. It has multiple ventilating and extraction points, a dual density inner shell, double D-ring chin strap fastener and a spoiler to help reduce neck fatigue at speed. It weighs just 1380g.

**SHARP** ✓ ★★★★★  
**SPECS:**  
**Sizes:** XS-XL  
**Colours:** Six plain (matt and gloss black, blue, red, silver and white), 15 multis (inc the Couture, above)  
**Shell:** Composite fibre

>SHOEI XR-1000 £325-£415

**WE SAY:**  
Available in three different shell sizes so you can find the optimum fit. The perforated lining is removable/washable as well as being anti-allergenic. Like the Raid II, the spoiler on the back is there to reduce neck fatigue. Chin strap fastens with a double D-ring and the visor is quick-release.

**SHARP** ✓ ★★★★★  
**SPECS:**  
**Sizes:** XS-XL  
**Colours:** Six plain (matt and gloss black, blue, white, gloss grey and matt grey), 25 multis and race reps  
**Shell:** Composite fibre
